Our super pure crystal isolate is made from supercritical CO2 extract derived from European hemp. Our purity is 99.8% and always less than 0.2% THC, which is tested by an independent accredited laboratory. We are producer base in Turkey, we carry out all the processes from start to finish, which is why our prices are so competitive. Currently we can supply about 20kgs per month. Our minimum order quantity is 100g at a price of €1,500 plus shipping costs. 1kg costs €10,000 and 10kgs cost €100,000. We can send samples at a cost of €150 for 2 gramme plus shipping costs.
